## OUR INGREDIENTS

For the burgers we use regional beef from the Fuchserei Butcher in St. Leonhard. Our delicious homemade sauces, fresh fruit and vegetables and, of course, cool beer from the small Schönram brewery are all delivered fresh every day. The burger buns come from our own Unterreiner Bakery in Freilassing.

We always endeavour to serve our guests with tasty burgers to the best of our ability and put all our effort and know-how into these dishes.

Not just Fast Food, but high-quality burgers – that's our goal. Enjoy your meal!
